Restylane – Syringe \$399

Before & after

Restylane

Restylane is designed to smooth wrinkles, sculpt and lift facial features. The results are natural and long lasting. The gel is injected into the skin and provides a natural looking lift. The gel is made from hyaluronic acid, a naturally occurring substance in the body. It is safe and effective. The results are visible immediately and last for up to 12 months.

BOTOX
Cosmetic

\$8.85 per Unit

Botox is a neurotoxin that is used to treat wrinkles and other facial concerns. It is a safe and effective treatment. The results are visible immediately and last for up to 3-4 months. It is a natural looking lift. The gel is made from hyaluronic acid, a naturally occurring substance in the body. It is safe and effective. The results are visible immediately and last for up to 12 months.

Hair Removal Package

35% Off

Before After

The LightSheer laser works on a range of hair colors and all skin types, including darker skin. The laser beam passes through the epidermis of your skin, targeting the hair follicle. The laser energy is absorbed by the melanin in the hair follicle, which causes the hair to fall out. The results are visible immediately and last for up to 12 months.

VIPEEL

\$199

Before After

VIPEEL is a non-invasive laser treatment that is used to treat wrinkles and other facial concerns. It is a safe and effective treatment. The results are visible immediately and last for up to 3-4 months. It is a natural looking lift. The gel is made from hyaluronic acid, a naturally occurring substance in the body. It is safe and effective. The results are visible immediately and last for up to 12 months.

Sclerotherapy \$75 OFF

Sclerotherapy is a non-invasive treatment that is used to treat varicose veins and spider veins. The treatment involves injecting a solution into the veins, which causes the veins to collapse. The results are visible immediately and last for up to 12 months.

Obagi Kits 20% off

Obagi is a line of skin care products that are designed to improve the skin. The products are made from natural ingredients and are safe and effective. The results are visible immediately and last for up to 12 months.
